*Own your own  
private forest!*

Want to get away from it all? This cute cabin could be just the place! With just one bedroom and one bathroom, concrete siding, and composite decking, you can spend your time exploring your nearly 6 acres of private forest around the cabin (not to mention the adjacent forest service land) instead of doing maintenance. An attached two-car garage add convenience and two outbuildings and an old saw mill open up numerous possibilities. This property is priced to sell -- call today to see it before it's gone!
