Looking for a mountain cabin with a fantastic outdoor as well as indoor living space? This is it! The expansive deck offers several seating areas and a hot tub from which you can enjoy watching the deer, the sunset, or the mountain views. You can also play darts on the deck or lawn games on the large grassy area. But there is more! The inside of this recently updated four bedroom two bath cabin features an oversized great room with a fireplace, a huge upstairs bedroom with a sitting area and fireplace, a mudroom with storage, and recent flooring, lights and other updates. The great room slider ties the indoor and outdoor living areas together and the paved driveway offers convenience. Did I mention there are some younger Giant Sequoias on the property? Call now!
