Want a vacation cabin in a peaceful setting set up high in the treetops? This cabin in Coy Flat delivers! Lots of knotty pine add to the cabin feel, while three bedrooms (all without closets) and a sitting area upstairs, a great room area downstairs, and decks that wrap all around the cabin give you plenty of room for guests! Enjoy BBQing under the covered front entry in any weather, relaxing on the huge side deck, or picnicking or playing outdoor games in the area behind the cabin. The numerous windows in the cabin bring the outdoors in and the cabin being set up high makes it feel like you are in a treehouse.
