Features

Established driveway and level building area
Water and electricity at the lot (buyer to verify)
Nice mountain views!

Details

Lot Size: 0.6872 acres

*Enjoy the
mountain views
from the cabin
clearing!*

This very buildable Cedar Slope lot, nearly 2/3 acres, had a cabin but it was lost in the Castle Fire. If you are looking to build on the mountain, this lot could give you a heads start as it has a driveway and a large building area and there is power and water to the lot (buyer to verify usability of all utilities). There is even a lovely view of the mountains from the building area - call today!

For questions or to see this lot, contact Debbie at 559-429-5142 or Deborah.Morley@gmail.com

Visit GiantSequoiaCabins.com for lots more photos of and info about this lot, as well as photos of and information about all of the mountain communities, the things to do and see there, and other cabins for sale.

Disclaimer: Lot size has not been verified by agent.
