Dreaming of a mountain retreat? This lovely mountain home may be just what you are looking for! Built for full-time living, it features vaulted and beamed ceilings in the living room and dining area, an open kitchen with a huge pantry, a floor-to-ceiling fireplace in the living room, and a huge bonus room on the ground floor with a wet bar and a private entrance. The main floor has a wall of windows to bring in the wonderful views of the mountains and opens to an expansive deck to enjoy the views as well. Out the kitchen door is a covered deck facing an enchanting oak forest area with stepping stone paths and cool shade the deer like to relax in. The other side of the cabin features another covered deck with an entrance into the living room. A large laundry room, built-in storage throughout, and a two-car garage complete the package. Whether you are relaxing on the deck or in the living room enjoying the view, watching the deer from one of the two covered decks, or entertaining guests in the bonus room, you will appreciate the quiet, private feel of this cabin.
