Looking for a large vacation cabin at an affordable price? This cabin in Sequoia Crest may be just what you've been waiting for! Three bedrooms, two baths, an open floor plan, a laundry room and a huge bonus room give you plenty of room for family and friends. Being located within the Alder Creek Giant Sequoia Grove means the big trees (including the Stagg Tree, the fifth largest tree in the world) are within walking distance. The cabin does need new floors installed, the decks could use painting, and the owners have never used the original appliances, but at this price you can make it exactly what you want it to be – call today before it's gone!
